## Arriving at LAX - Los Angeles Int'l Airport

Upon arriving at LAX, first collect all of your baggage. Exit baggage claim, and look for the PrimeTime agent, with a red hat and shirt, on the outer island under the orange SHARED-RIDE sign.

## Arriving at all other Southern California airports & arriving at LAX after 11 PM and before 7 AM

Call 1-800-RED-VANS (1-800-733-8267), toll free from any public phone, and press Option 3 when you hear the greeting. A PrimeTime agent will then direct you to your van.
