Suites are reserved for Exhibitors who contract directly with NAMM for a minimum of 200 sq. ft. of booth space on the show floor. Sharing companies are not eligible. Exhibitors may not submit a request on behalf of another division or company. Exhibitors agree not to schedule tours, meetings or other events that might reasonably be expected to draw attendance away from the Trade Show during any part of the official Trade Show hours (without the advance approval of NAMM). Suites are assigned based on compliance with all rules and regulations. Non-observance of these rules will jeopardize the Exhibitor’s ability to exhibit at future NAMM shows and may result in immediate termination of the Exhibitor’s Exhibit Space Agreement, cancellation of Trade Show badges, and termination of the right to exhibit without any refund or other liability on the part of NAMM. If the company status changes as a NAMM Member or Exhibitor during this process, reservations are subject to change or cancellation. NAMM reserves the right to decline any or all applications for suite requests.
