

The Women of NAMM (WoN) Summit **Application Info and Guidelines**

Women of NAMM (WoN) is dedicated to increasing female representation in the music products industry, specifically in leadership positions. WoN benefits women in all NAMM member categories: music products, pro audio and entertainment technology. The goals of WoN are to connect, support and grow female professionals, their leadership aspirations and their desire to expand connections within the industry.

Women of NAMM (WoN) Summit Program Statement of Purpose:

The annual WoN Summit program, led by a world-class facilitator, is a proven three-day immersive experience providing awardees with a comprehensive understanding of effective leadership principles, strategies and skills, along with intense self-reflection, feedback training and group work. The goals of the WoN Summit are to empower, inspire and equip attendees with the knowledge, skills and networks needed to thrive as effective leaders and stewards of change.

Despite making up a majority of the U.S. population, women lag substantially behind men when it comes to their representation in leadership positions. The WoN Summit is a key tool to help close that gap. When WoN launched this initiative in 2019, women accounted for only 2.2% of CEOs in the music products industry. WoN envisions the future of the music industry as one in which women hold at least 10% of the CEO roles and 50% of C-suite positions. According to Forbes, women now lead about 11% of Fortune 500 companies, up from 10.4% 2024 and 9% in 2023.

Now in its seventh year, the Women of NAMM Leadership Summit has established itself as the main growth engine for females at NAMM member companies.

Who the Summit Is Created for:

The WoN Summit is for ambitious **mid-career** women working in the music products, pro audio and entertainment technology industries who are aspiring to, or have recently reached, higher levels of leadership in their organizations. They want to grow their leadership and professional abilities, and are driven by a strong sense of purpose, a commitment to excellence and a

passion for continuous improvement. They actively invest in their development, seize opportunities for growth and inspire others through their leadership and example.

Key Goals and Educational Overview:

The **WoN Summit program** focuses on world-class professional development, leadership training and the development of strong and enduring relationships among the attendees. Overall, the goals of a leadership summit are centered around empowering women to lead with purpose, integrity and impact, and to contribute positively to the advancement of female representation in our industry. The summit will challenge participants to remain dedicated to self-improvement and to continuously build relationships with other women in the music industry.

Workshops and sessions will focus on:

- Identifying and leveraging personal leadership strengths
- Improving communication and influence skills
- Learning and practicing effective strategies for giving and receiving feedback
- Building resilience
- Creating concrete and actionable goals to enhance personal and professional effectiveness

Registration Fee and Scholarships: The 2026 Women of NAMM Summit has a \$1,800 registration fee (excluding travel and accommodations) for accepted applicants. This fee covers the subsidized cost of the leadership experience, including a professionally facilitated immersive three-day leadership summit, Pre-Summit preparation (including but not limited to two self-report assessments and a 360-degree assessment), take-home resources (including but not limited to assessment reports and workbooks) and at least three post-Summit small group coaching sessions. Additionally, all meals for the three-day event are paid for and sponsored by NAMM.

We recognize that financial circumstances vary — and we’re committed to making the summit accessible to anyone who wants to attend. The NAMM Foundation is offering full and partial scholarships to ensure female leaders have access to this lifechanging experience. If you or your company are unable to cover the registration fee, you are invited to apply for a scholarship. Note that applying for a scholarship will not impact participant selection.

Travel and Lodging: Summit awardees or their companies are responsible for covering the costs for their hotel stay, travel to Carlsbad, California, travel between the airport and hotel, and any other incidentals.

Timeline:

Tuesday, June 2, 2026	Application opens
Friday, June 26, 2026	Application closes
Monday, August 3, 2026	Award notification

Monday, August 10, 2026	Attendance confirmation deadline
Friday, August 14, 2026	Summit fees due
Friday, September 11, 2026	Pre-summit assessments/360 deadlines
Sunday, October 11, 2026	Travel to summit
Monday–Wednesday, October 12–14, 2026	Summit occurs
Thursday 15, 2026	Travel home
Friday, November 6, 2026	Summit report due

Eligibility Requirements:

- Women who have at least five years of experience working in the music products industry and who seek opportunities to expand their leadership and professional competencies.
- Participants must be at manager level or higher and have direct supervisory responsibility for at least three direct reports. Exceptions may be granted if you believe you have leadership responsibilities equivalent to leading a team of at least three people.
- Applicants should model the mission of WoN to connect, support and grow opportunities for themselves and all women in the music products industry.
- Must be a NAMM member or employed at a NAMM member company.

Participation Requirements:

- Timely completion of all pre-summit assignments.
- Attendance at each of the WoN Summit’s educational and networking activities, including the three days of training, the opening reception, the closing reception and the post-summit group coaching sessions.
- Submission of a final report that summarizes learnings and takeaways from the program to help WoN governance continue to build future programming.

How to Apply:

Please read the guidelines before completing all requirements via the online application. An incomplete application will not be considered. The deadline to apply is June 26, 2026, at midnight PT.

Step 1: Go [here](#) to access the online application.

Upload a letter of recommendation

Professional Questions:

- Reflecting on your career journey, please highlight any significant milestones or accomplishments that demonstrate your commitment to continuous improvement.
- Why do you believe attending this leadership summit would be beneficial for you and your professional growth?
- What do you believe are the most important qualities of a successful leader and how do you currently embody or strive to embody these qualities?
- What steps do you take to foster a positive and inclusive work environment within your team or organization?
- Please describe the actions you've taken to enhance your professional skills and knowledge over the past year.

Scholarship Request

Registration for the 2026 Women of NAMM Summit is \$1,800 (excluding travel and accommodations). We're committed to making the summit accessible and that finances do not stand in the way, so full and partial scholarships are available. If you or your company are unable to cover the registration fee, you are invited to apply for a scholarship. (Note that applying for a scholarship will not impact participant selection.)

1. Would you like to apply for a scholarship to cover the \$1,800 registration fee? Yes/No

If Yes:

- a. Will your employer provide financial support for the \$1,800 registration fee?
 - Yes
 - My employer can cover a portion of the registration fee
 - No

If partial:

- i. If partial, approximately how much of the \$1,800 registration fee will your employer cover? _____

Back to “if Yes”:

- b. Without scholarship support, would you be able to participate in the Summit?

- Yes
- Possibly, with significant difficulty
- No

- c. Please briefly explain why you're seeking financial support and how a scholarship would impact your ability to participate in the WoN Summit this year. _____
