Anaheim/Orange County Hotels are NON-SMOKING

NAMM must receive a valid Exhibit Space Application and deposit prior to processing the Exhibitor Suite Request Form. Suites are placed on a first-come, first-serve basis. Because of the limited quantity and high demand for suites, exhibiting companies will be restricted to one suite per 400 square feet of booth space. Sharing companies are not eligible. There is a two night minimum stay on all suite reservations. Displaying product in any room is prohibited during show hours unless the room is being used for internal company training. No furniture removal will be allowed. If your status as a NAMM member or Exhibitor changes during this process, reservations are subject to change or cancellation. Exhibiting companies may not request a suite on behalf of another company. Only exhibitors are allowed to reserve suites.

\* Resort fees apply, per room, per day.
