## **TGS Saxophone Giveaway!**

Anaheim, CA (December 4, 2017) – The Growling Sax (TGS) is offering a very attractive incentive for anyone visiting their booth at NAMM 2018. On Sunday, January 28th, 2018 TGS will be raffling a brand new Alto Saxophone from their Avant-Garde Series. This beautiful instrument has a retail value of \$899 and also includes a free deluxe case.

The Avant-Garde Series saxophones are the first student models to solve the sticky G# key problem that saxophonists have dealt with for many years. Up to today, this has been an ongoing problem with both professional and student saxophones. Very few saxophones have addressed this known problem, however TGS has made it a priority to pay attention to customer feedback, and include this extra feature on all saxophone models.

The raffle is open for everyone. To participate visitors must stop by Hall B - Booth 9637 and fill out our Raffle Sheet. The winner will be picked randomly from a ballot and announced in our booth On Sunday, January 28th, 2018 at 11:30 AM Pacific Time.

## **About The Growling Sax**

The Growling Sax offers great prices on high quality student and professional saxophones.

With over 30+ years of professional music experience combined with 20 years of engineering background, our founder has integrated many of the technologies and processes that have made the pioneers of our industry successful with new technology, improved materials and ergonomics.

Get ready for a new era of innovation and creativity. Make sure to visit us at Hall B - Booth 9637.
